The screenshot shows a web browser window with the URL tathya.uidai.gov.in/access/login?role=resident. The page header includes the Unique Identification Authority of India logo and the Aadhaar logo. The main content area displays a login form titled "Login to Aadhaar via OTP". The form has two input fields: "Enter Aadhaar Number" and "Enter Captcha". The Captcha field shows the text "hnc9e". Below the input fields is a button labeled "Login With OTP". The footer of the page contains the copyright notice: "Copyright © 2024 Unique Identification Authority of India All Rights Reserved". The Windows taskbar at the bottom shows the date and time as 10:17 PM on 04-10-2024.

Defect Report 3

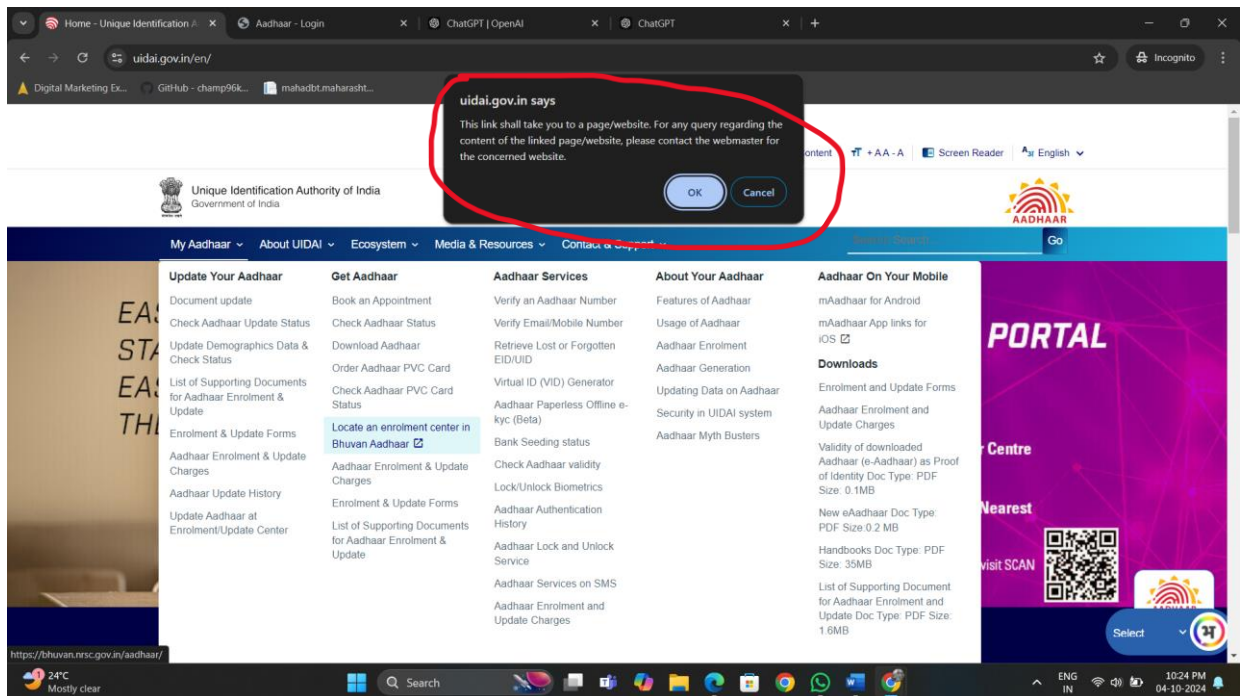

- **Defect ID:** D003
- **Title:** Incorrect Information Displayed
- **Date Reported:** 04-10-2024
- **Environment:** Windows 11
- **Browser/Device:** Edge Version 115.0
- **Description:** The "Verify Aadhaar" page shows incorrect details for certain UID numbers. This could lead to misinformation and mistrust.
- **Severity:** High
- **Priority:** High
- **No. of Steps:**
 1. Open UIDAI.gov website.
 2. <https://uidai.gov.in/en/>
 3. click on theme button.
 - **Expected Result:** Correct details for the entered UID should be displayed.
 - **Actual Result:** Incorrect or outdated information is displayed.
- **Status:** Open
- **Assigned To:** Kiran Developer
- **Resolution:** Identifying and restoring the Problem
- **Comments:**
 - Abhishek: provide the correct information of user
 - Kiran: Checking defect in the button functionality.

Defect Report 4

- **Defect ID:** D004
- **Title:** Broken Links
- **Date Reported:** 04-10-2024
- **Environment:** Windows 10
- **Browser/Device:** Chrome Version 116.0
- **Description:** Multiple links within the "Help" section lead to 404 error pages, preventing users from accessing important information.
- **Severity:** High
- **Priority:** High
- **No. of Steps:**
 1. Open UIDAI.gov website.
 2. <https://uidai.gov.in/en/>
 3. Click on the links below.
 - **Expected Result:** All links should direct to the appropriate help content.
 - **Actual Result:** Some links result in 404 error pages.
- **Status:** Open
- **Assigned To:** Tanmay Developer
- **Resolution:** Investigating possible issues with the pricing module during the checkout process.
- **Comments:**
 - Abhishek: Links are not working properly.
 - Tanmay: Checking the path of the links.
- **Attachment:**

Defect Report 5

- **Defect ID:** D005
- **Title:** Mobile Responsiveness Issues
- **Date Reported:** 06-10-2024
- **Environment:** Windows 10
- **Browser/Device:** Chrome Version 92.0
- **Description:** Certain sections of the UIDAI website do not display correctly on mobile devices, leading to usability issues.
- **Severity:** Medium
- **Priority:** Medium
- **No. of Steps:**
 1. Open UIDAI.gov website.
<https://uidai.gov.in/>
 - **Expected Result:** The website should adjust seamlessly to fit the mobile screen.
 - **Actual Result:** Content overlaps, and buttons are misaligned.
- **Status:** Open
- **Assigned To:** Yash Developer
- **Resolution:** Reviewing the wishlist functionality to ensure data persistence.
- **Comments:**
 - Abhishek: Website is not fully responsive on mobile devices.
 - Yash: Adding the option.
